

Little Foxes Pre-School Nursery  
Newsletter May/June 07

Dear Parents/Carers/Significant Persons

We have a busy month learning about Jungle and Zoo animals. We hope you like the pre-school display of our jungle and did you stop the animals hiding in the trees. We have been discussing the noises animals make and also how the animals move.

This month we are learning about shops and shopping, the children will be looking at different shops and also the different ways we shop e.g through the internet online. To support our topic could the children bring in different food packets and also one small tin of their favourite food for our supermarket.

As the weather is getting warmer and the children will be spending more time outside, the sun protection policy comes into force. All children are required to bring in a cap/hat and sun cream in nursery clearly labelled as a number of children have not got either in nursery. Unfortunately if your child does not have adequate sun protection they will not be able to participate in outdoor activities.

I have been asked by all staff can you please label your child's belongings hat, coat, bags, bottles etc as we cannot take responsibility for lost items. Baby room staff have also requested that a set of spare clothes be put in the babies bags in case of accidents and have may need to be changed.

I would like to take this opportunity to thank you all for supporting our fun day for children with Leukaemia. There has been a delay on receiving the free Mr Men books and stickers but as soon as they arrive we will present them to the children.

The nursery photographer will be attending nursery on Tuesday 12<sup>th</sup> June. If you would like your child's photograph to be taken can you please write their names on the forms in reception and in the baby unit. If it is not your child's day but you would like their photograph taken please put a convenient time and we will do our best to accommodate. (siblings can be brought in for photographs)

Thank you for your continued support

Nikki and staff
